The end of the year is upon us!

At Perrett Simpson Stantin we have been busy, along with the usual end of year rush, assisting the Melbourne City Council in decking the halls at the Melbourne Town Hall and the Melbourne City Baths.

It has again been a productive and exciting year for us with several projects, on which we have worked as the structural consultants, being nominated for and winning, state, national and international architectural awards.

We would like to thank all of our clients who have entrusted us with their work this year, and we look forward to working with you again in 2016.

PSS TEAM

We would like to introduce four new staff members who have recently joined the team at Perrett Simpson Stantin in 2015. We are very happy to bring on board Ryoko as a Front Office Manager, Chris and Ian who are both highly experienced Senior Structural Engineers, and Matt who is a Graduate Civil Engineer.

We are confident all these people will assist us in providing the friendly, high quality, professional service you expect from P.S.S.
